

We acknowledge and honor the Anishinaabeg,  
the original peoples, upon whose ancestral  
homelands we live and work,  
who have cared for and continue to care for this  
place and call it their home.

We respect the rich history and ongoing  
relationship Indigenous peoples have with this  
land and the many contributions they have  
made. We continue to acknowledge the need  
for healing and reconciliation around the  
harmful legacy of colonization.
