

New Congregational Resource from NGLS Youth Ministry Team

Members of the NGLS Youth Ministry Team put together a [Youth & Family Resource Calendar](https://nglsynod.org/youth/) that is now available on the Synod's Youth Ministry webpage <https://nglsynod.org/youth/>. This guide was created to help congregations feel connected within the Synod through shared activities and to provide resources and ideas that help engage youth and families.

Please share this resource widely and try something new! Reach out to Stefanie (youthministry@nglsynod.org) or any of the Youth Ministry Team members with questions or feedback.

Save the Date! Youth Retreats at Fortune Lake in 2026

Youth retreats at Fortune Lake Lutheran Camp are a great way to stay connected to camp throughout the year and provide new campers with a great opportunity to try out camp before committing to a full week. **Adults are also welcome** at these retreats and are invited to participate in our Saturday morning workshops. Saturday morning workshops are free to attend for any faith leader, pastor, or adult volunteer in our Synod who work with young people.

Mark your calendars for these upcoming youth retreats at Fortune Lake!

April 10-11, 2026 – Jr/Sr High Youth Retreat for 7th-12th graders

April 24-25, 2026 – Upper Elementary Youth Retreat for 3rd-6th graders

Registration will be open after the new year at www.fortunelake.org.
