## The Season of Lent

### QUOTE OF THE DAY

Ever wondered, "Why ashes?"

Ash Wednesday, March 1, is the first day of Lent. The day is named for the practice of imposing ashes in the form of a small cross on the forehead of each person with the words: "Remember that you are dust, and to dust you shall return." Ashes are a symbol of our need to repent, confess our sins, and return to God. They also remind us of the shortness of human life, but we receive ashes in the form of the cross, the same symbol placed on our bodies with water in our baptism. Even in this ashen mark of death, we anticipate the new life of Easter.

Thank you to all who participated in the Synod Self

The individual identified will be contacted by a member of the Transition Team to make sure they want to proceed and be pre-identified. If the individual agrees to proceed, they will be provided with the Job Description for Synod bishop, the Biographical Information Form, and the link to provide a background check.
