E-Notes for December 15, 2018

The Season of Advent

QUOTE OF THE DAY

"Here is the new reality. Here is the truth. Our lives are not a meaningless trudge from cradle to grave, but a joyful journey - true and lasting joy - from grave to cradle. All our brokenness and death meet life and healing and hope in the child in the manger. His cradle defeats the grave. We are loved. We are alive. Now we are free to greet this holy season."

Presiding Bishop Elizabeth Eaton, p. 50, Living Lutheran, December 2018

"Faithful Innovations"

for

Lay Leaders, Pastors & Licensed Lay Ministers

COMING IN 2019 TO A LOCATION NEAR YOU!

The Northern Great Lakes Synod invites congregational lay leaders, pastors, and licensed lay ministers to take a journey with us as we reimagine church in light of

today's changing culture. This is a Spirit-led journey in which we are invited to engage the spiritual practices of listening, discerning, experimenting and reflecting.

- + A congregation commits 5-7 lay people to attend training sessions and become part of that congregation's "Guiding Team"
- + 3 Training Events (Saturdays?) with monthly ongoing coaching for laity and pastors

Key Features of "Faithful Innovations":

- + Dwelling in the Word
- + Tracing God's Movement in our Lives and Neighborhoods
- + Action Learning Experiments
- + Intentional Reflection

More details on this renewal effort and dates of training sessions will be forthcoming.

Did you know...

The Bishop was invited by Presiding Bishop Elizabeth Eaton to attend a Retreat of Newly Elected Leaders sponsored by the Lutheran World Federation. From November 17 – 27, the Bishop spent time in Geneva, Switzerland and Wittenberg, Germany, along with 11 other Lutheran bishops from all over the world; Guyana, Angola, Chile, Hungary, Poland, India, Mexico, Canada, the Florida-Bahamas Synod of the ELCA, and Tanzania. She learned about the impressive work of the Lutheran World Federation and the efforts in ministry in very different settings. Many of our struggles and challenges are similar. Many are as unique and distinctive as the setting.

While in Wittenberg, Germany, she planted an apple tree as part of the

effort to celebrate the Reformation with the planting of 500 trees. Click on the link below to explore the Luthergarten and see the tree planting. There are also pictures on the Synod Facebook page.

Our Synod has agreed to plant a sister tree here. Watch for more information about that after the snow melts.
