The Season of Pentecost

Thought of the Day

"We cannot do everything
and there is a sense of liberation in realizing that.
This enables us to do something,
and to do it very well.
It may be incomplete, but it is a beginning, a step along the way,
an opportunity for God's grace to enter and do the rest."

"A Future Not our Own" by Archbishop Oscar Romero

Remembering the Children

Many of you have read sad news reports about unmarked gravesites of indigenous children in Canadian boarding schools. Unfortunately, we in the U.S. also have a tragic history of our own. We recently heard of reports from the Rosebud Sioux tribe that bodies of tribal children had been returned to their familial homeland. Members of the **American Indian Alaska Native Lutheran Association** recently penned a letter about these matters. You can find the full text of that letter [here](#).
