*Always Being Made New:  
The Campaign for the ELCA*

*Always Being Made New: The Campaign for the ELCA* is our moment to look toward the future of this church and boldly respond to the needs of the world with a living, daring confidence in God's grace. This five-year, \$198 million campaign will help our church grow our communities of faith, form new leaders, welcome our neighbors, overcome malaria, confront hunger and poverty, accompany our global companion churches and so much more. Together, we can achieve things on a scale and scope we could never do otherwise.

The funds raised in the last three years are already making a difference. Go to [www.nglsynod.org](http://www.nglsynod.org) to see how our work together has impacted our local congregations and supported their efforts.

**2018!** Our campaign focus is on:

### **Fund for Leaders/ Lutheran Campus Ministry**

**Please be generous!**

Raising up leaders for ministry and the faith formation of young adults is an ongoing priority. This year's campaign seeks to give our Synod Campus Ministry and partners the financial support

they need to give wings to creative ideas that would not otherwise be possible. And it seeks to build up the support of a Fund that helps reduce the cost of a seminary education, thereby making new graduates more available to the whole church.

Let us join together to do God's work on a scale and scope that we could never do alone as individual congregations!
