

ELCA Congregational Vitality Survey

Want to have a tool to gauge what people in your congregation are thinking about your congregation?

This Congregational Vitality Survey will be a helpful tool.

The ELCA Congregational Vitality Survey is a simple 36 question survey tool to gain input from both leaders and participants on how they see key areas for both vitality and sustainability. Questions use a 3-point scale to ask people to assess their understanding of 36 key issues in congregational life and mission. It also helps show how leaders see the ministry in comparison to how regular participants see it - a great help in seeing how perceptions and communication are happening.

It is about starting the CONVERSATION about the vitality of your congregation.

It can be a FOUNDATION FOR PLANNING in your congregation.

Cost: It's FREE!!

All congregations in the Northern Great Lakes Synod would benefit from their members engaging in this survey tool.

In order to access this survey, you must contact Pastor Jim Duehring who is the Director for Evangelical Mission (DEM) in the Northern Great Lakes Synod.
