**Chapter 1.

- †S1.02. For the purposes of this constitution and the accompanying bylaws, the Northern Great Lakes Synod of the Evangelical Lutheran Church in America is hereafter designated as "this synod" or "the synod."

- †S1.21. The seal of this synod shall be circular in form and shall have inscribed thereon the name of this synod across the bottom half of the circle and around the circumference the name of this church. The top half of the seal shall contain drawings of a cross, three trees and a lake shore.

**Chapter 2.
STATUS**

- †S2.01. This synod possesses the powers conferred upon it, and accepts the duties and responsibilities assigned to it, in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*, which are recognized as having governing force in the life of this synod.
- †S2.02. The name Evangelical Lutheran Church in America (ELCA or "this church") as used herein refers in general references to this whole church, including its three expressions: congregations, synods, and the churchwide organization. The name Evangelical Lutheran Church in America is also the name of the corporation of the churchwide organization to which specific references may be made herein.
- †S2.03. No provision of this constitution shall be inconsistent with the constitution and bylaws of this church.

Chapter 3. TERRITORY

- †S3.01. The territory of this synod, as determined by the Churchwide Assembly, shall be the counties of Florence, Forest, Iron, Marinette, Oneida, and Vilas in the state of WISCONSIN; and all the counties in the Upper Peninsula in the state of MICHIGAN.
- †S3.02. "Determined by the Churchwide Assembly," as stipulated by †S3.01., is understood to include the reported changes in synod relationship made by any congregation in a border area agreed under ELCA bylaws 10.01.01. and 10.01.03.

Chapter 4. CONFESSION OF FAITH

- †S4.01. This synod confesses the Triune God, Father, Son, and Holy Spirit.
- †S4.02. This synod confesses Jesus Christ as Lord and Savior and the Gospel as the power of God for the salvation of all who believe.
- a. Jesus Christ is the Word of God incarnate, through whom everything was made and through whose life, death, and resurrection God fashions a new creation.
 - b. The proclamation of God's message to us as both Law and Gospel is the Word of God, revealing judgment and mercy through word and deed, beginning with the Word in creation, continuing in the history of Israel, and centering in all its fullness in the person and work of Jesus Christ.
 - c. The canonical Scriptures of the Old and New Testaments are the written Word of God. Inspired by God's Spirit speaking through their authors, they record and announce God's revelation centering in Jesus Christ. Through them God's Spirit speaks to us to create and sustain Christian faith and fellowship for service in the world.
- †S4.03. This synod accepts the canonical Scriptures of the Old and New Testaments as the inspired Word of God and the authoritative source and norm of its proclamation, faith, and life.
- †S4.04. This synod accepts the Apostles', Nicene, and Athanasian Creeds as true declarations of the faith of this synod.
- †S4.05. This synod accepts the Unaltered Augsburg Confession as a true witness to the Gospel, acknowledging as one with it in faith and doctrine all churches that likewise accept the teachings of the Unaltered Augsburg Confession.
- †S4.06. This synod accepts the other confessional writings in the Book of Concord, namely, the Apology of the Augsburg Confession, the Smalcald Articles and the Treatise, the Small Catechism, the Large Catechism, and the Formula of Concord, as further valid interpretations of the faith of the Church.

†S4.07. This synod confesses the Gospel, recorded in the Holy Scripture and confessed in the ecumenical creeds and Lutheran confessional writings, as the power of God to create and sustain the Church for God's mission in the world.

Chapter 5. NATURE OF THE CHURCH

†S5.01. All power in the Church belongs to our Lord Jesus Christ, its head. All actions of this synod are to be carried out under his rule and authority.

†S5.02. This church confesses the one, holy, catholic, and apostolic Church and is resolved to serve Christian unity throughout the world.

†S5.03. The Church exists both as an inclusive fellowship and as local congregations gathered for worship and Christian service. Congregations find their fulfillment in the universal community of the Church, and the universal Church exists in and through congregations. This church, therefore, derives its character and powers both from the sanction and representation of its congregations and from its inherent nature as an expression of the broader fellowship of the faithful. In length, it acknowledges itself to be in the historic continuity of the communion of saints; in breadth, it expresses the fellowship of believers and congregations in our day.

†S5.04. This church, inspired and led by the Holy Spirit, participates in The Lutheran World Federation as a global communion of churches, engaging in faithful witness to the gospel of Jesus Christ and in service for the sake of God's mission in the world.

Chapter 6. STATEMENT OF PURPOSE

†S6.06. References herein to the nature of the relationship between the three expressions of this church – congregations, synods, and the churchwide organization – as being interdependent or as being in a partnership relationship describe the mutual responsibility of these expressions in God’s mission and the fulfillment of the purposes of this church as described in this chapter, and do not imply or describe the creation of partnerships, co-ventures, agencies, or other legal relationships recognized in civil law.

 - 5) suspension of the minister of Word and Service through discipline for more than three months;
 - 6) resignation or removal of the minister of Word and Service from the roster of Ministers of Word and Service of this church;
 - 7) termination of the relationship between this church and the congregation;
 - 8) dissolution of the congregation or the termination of a parish arrangement;
or
 - 9) suspension of the congregation through discipline for more than six months.
- b. When allegations of disability or incapacity of the minister of Word and Service under paragraph a.4) above, or ineffective conduct of the ministry of Word and Service under paragraph a.3) above, have come to the attention of the bishop of this synod,
 - 1) the bishop who has sole discretion may investigate such conditions personally together with a committee of two rostered ministers and one layperson, or
 - 2) when such allegations have been brought to the synod's attention by an official recital of allegations by the Congregation Council or by a petition signed by at least one-third of the voting members of the congregation, the bishop personally shall investigate such conditions together with a committee of two rostered ministers and one layperson.

- c. In case of alleged disability or incapacity under paragraph a.4) above, the bishop's committee shall obtain and document competent medical opinion concerning the minister of Word and Service's condition. When a disability or incapacity is evident to the committee, the bishop of this synod may declare the position vacant and the minister of Word and Service shall be listed on the roster of Ministers of Word and Service with disability status. Upon resumption of the ability to conduct the office effectively, the bishop shall take steps to enable the minister of Word and Service to resume the ministry, either in the congregation last served or in another appropriate call.
- d. In the case of alleged local difficulties that imperil the effective functioning of the congregation under paragraph a.3) above, the bishop's committee shall endeavor to hear from all concerned persons, after which the bishop together with the committee shall present their recommendations first to the minister of Word and Service and then to the congregation. The recommendations of the bishop's committee address whether the minister of Word and Service's call should come to an end and, if so, may suggest appropriate severance arrangements. The committee may also propose other actions that should be undertaken by the congregation and by the minister of Word and Service, if appropriate. If the minister of Word and Service and congregation agree to carry out such recommendations, no further action need be taken by the synod.
- e. If either party fails to assent to the recommendations of the bishop's committee concerning the minister of Word and Service's call, the congregation may dismiss the minister of Word and Service only at a legally called meeting after consultation with the bishop, either (a) by a two-thirds vote of the voting members present and voting where the bishop and the committee did not recommend termination of the call, or (b) by a majority vote of the voting members present and voting where the bishop and the committee recommended termination of the call.
- f. If, in the course of proceedings described in paragraph c. or paragraph d. above, the bishop's committee concludes that there may be grounds for disciplinary action, the committee shall make recommendations concerning disciplinary action in accordance with the provisions of this church's constitution, bylaws, and continuing resolutions.

†S14.44. Ministers of Word and Service shall respect the integrity of the ministry of congregations which they do not serve and shall not exercise ministerial functions therein unless invited to do so by the Congregation Council.

†S14.45. The minister of Word and Service shall make satisfactory settlement of all financial obligations to a former congregation before:

- a. installation in another call, or
- b. approval of a request for change in roster status.

†S14.46. With the approval of the synod bishop expressed in writing, which sets forth a clear statement of the purpose to be served by such a departure from the normal rule of permanency of the call as expressed in †S14.43., a congregation may call a minister

of Word and Service for a specific term. Details of such calls shall be in writing setting forth the purpose and conditions involved. Prior to the completion of a term, the bishop of this synod or a representative of the bishop shall meet with the minister of Word and Service and representatives of the congregation for a review of the call. Such call may also be terminated before its expiration in accordance with the provisions of †S14.43.

†S14.47. All ministers of Word and Service under a call shall attend meetings of the Synod Assembly, and the ministers of Word and Service of congregations shall also attend the meetings of the conference, cluster, coalition, or other area subdivision to which the congregation belongs.

Chapter 15. FINANCIAL MATTERS

†S15.01. The fiscal year of this synod shall be February 1 through January 31.

S15.01.A16. The Synod shall adopt a Gift Acceptance Policy.

†S15.11. Since the congregations, synods, and churchwide organization are interdependent expressions that share in God's mission, all share in the responsibility to develop, implement, and strengthen the financial support of the whole church. The gifts and offerings of the members of the Evangelical Lutheran Church in America are given to support all parts of this church; thus, the unity of this church should be evidenced in determining each part's share of the gifts and offerings. Therefore:

- a. The mission of this church beyond the congregation is to be supported by such a proportionate share of each congregation's annual budget as each congregation determines. This synod shall develop guidelines for determining "proportionate share," and shall consult with congregational leaders to assist each congregation in making its determination.
- b. This synod shall receive the proportionate share of the mission support from its congregations, and shall transmit that percentage or amount of each congregation's mission support as determined in consultation with the churchwide organization and approved by the Synod Assembly as part of its budget consideration.
- c. Should the Synod Assembly not approve the proportionate share of mission support determined in consultation with the churchwide organization, a new consultation with the churchwide organization shall take place. The Synod Council is authorized to amend the budget adopted by the Synod Assembly to reflect the results of this consultation.

†S15.12. The annual budget of this synod shall reflect the entire range of its own activities and its commitment to supportive funding with other synods and the churchwide organization.

S15.13. On the basis of estimated income, the Synod Council shall authorize expenditures within the budget for the fiscal year. Expenditure authorizations shall be subject to revision, in light of changing conditions, by the Synod Council.

- S15.14.** Except when such procedure would jeopardize current operations, a reserve amounting to no more than 16 percent of the sum of the amounts scheduled in the next year's budget for regular distribution to synodical causes shall be carried forward annually for disbursement in the following year in the interest of making possible a more even flow of income to such causes. The exact number of dollars to be held in reserve shall be determined by the Synod Council.
- S15.21.** No appeal to congregations of this or any other synod of the Evangelical Lutheran Church in America for the raising of funds shall be conducted by congregations or organizations related to or affiliated with this synod without the consent of the Synod Assembly or the Synod Council.
- S15.21.10.** When consent is given by the Synod Assembly or the Synod Council for the raising of funds by congregations or organizations related to or affiliated with this synod, such funding appeals shall be reviewed by the Synod Council at least every three years.
- †S15.31.** This synod shall arrange to have an annual audit of its financial records conducted by a certified public accountant firm recommended by the synod Audit Committee and approved by the Synod Council. The audited annual financial report shall be submitted by this synod to the churchwide Office of the Treasurer and to the congregations of this synod.
- †S15.32.** This synod shall maintain adequate, continuous insurance coverage in accordance with standards recommended by the churchwide organization. Insurance programs offered or endorsed by the churchwide organization shall be deemed to fulfill this obligation.

Chapter 16. INDEMNIFICATION

- †S16.01.** Subject to the limitations and duties imposed by law, each person who is or was made or threatened to be made party to any proceeding by reason of the present or former capacity of that person as a Synod Council member, officer, employee, or committee member of this synod shall be indemnified against all costs and expenses incurred by that person in connection with the proceeding. Indemnification of any person by reason of that person's capacity as a director, officer, employee, or committee member of any other organization, regardless of its form or relationship to this synod, is subject to the provisions of †S16.02.
- a. The term "proceeding" means a threatened, pending, or completed lawsuit, whether civil or criminal, an administrative or investigative matter, arbitration, mediation, alternative dispute resolution, or any other similar legal or governmental action. Except as otherwise required by law, the term "proceeding" does not include (a) any action by this synod against the individual seeking indemnification, or (b) subject to †S16.04., a disciplinary hearing or related process described in Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.

- b. The term “indemnification” includes reimbursement and advances of costs and expenses for judgments, penalties, fines, settlement, excise taxes, reasonable attorneys’ fees, disbursements, and similar required expenditures.

- †S16.02. Whenever a person who, while a Synod Council member, officer, committee member, or employee of this synod, is or was serving at the request of this synod as (or whose duties in that position involve or involved service in the capacity of) a director, officer, partner, trustee, employee, or agent of another organization, is or was made or threatened to be made a party to a proceeding by reason of such capacity, then such person shall be entitled to indemnification only if (a) the Synod Council has established a process for determining whether a person serving in the capacity described in this section shall be entitled to indemnification in any specific case, and (b) that process has been applied in making a specific determination that such person is entitled to indemnification.
- †S16.03. This synod may purchase and maintain insurance on behalf of itself or any person entitled to indemnification pursuant to this chapter against any liability asserted against and incurred by this synod or by such other person in or arising from a capacity described in †S16.01. or †S16.02.
- †S16.04. When written charges against a rostered minister of this church are made in disciplinary proceedings under Chapter 20 of the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America* by the synod bishop or when written charges against a congregation are made in disciplinary proceedings by the Synod Council or the synod bishop, and the discipline hearing committee determines that no discipline shall be imposed, then if such determination is not reversed or set aside on appeal, indemnification shall be made by the synod to the accused for reasonable attorney’s fees and other reasonable expenses related to the defense of the charges. The determination of the reasonableness of such fees and expenses shall be made by the Synod Council.

Chapter 17.

CONSULTATION AND ADJUDICATION

- †S17.01. The synod bishop and the Executive Committee of the Synod Council shall be available to give counsel when disputes arise within this synod.
- †S17.02. The synod bishop and the Executive Committee of the Synod Council shall receive expressions of concern from rostered ministers of this church, congregations, and organizations within this synod; provide a forum in which the parties concerned can seek to work out matters causing distress or conflict; and make appropriate recommendations for their resolution. When a concern relates directly to the synod bishop, the synod vice president will lead the Executive Committee’s efforts at resolving the matter. When the matter at issue cannot be solved in this manner, applicable procedures for investigation, decision, appeal, and adjudication shall be followed. Allegations or charges that could lead to the discipline of a rostered minister of this church shall not be addressed by the Executive Committee but shall be resolved through the disciplinary process set forth in the *Constitution, Bylaws, and Continuing Resolutions of the Evangelical Lutheran Church in America*.
- †S17.03. When there is disagreement between or among congregations of this synod on a

substantive issue that cannot be resolved by the parties, the council of an affected congregation may petition the synod bishop for a consultation after informing the other affected congregation(s) of its intent to do so. If this consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee's efforts fail to resolve the issue(s), the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The decision of the Synod Council shall be final.

†S17.04. When conferences, clusters, coalitions, or area subdivisions of this synod have a disagreement on a substantive issue that they cannot resolve, the aggrieved party or parties may petition the synod bishop and the Executive Committee of the Synod Council requesting a consultation after informing the other affected parties of their intent to do so. In this case the decision of the Executive Committee shall prevail, except that, upon the motion of a member of the Synod Council, the decision shall be referred to the Synod Council for final action.

†S17.10. **Adjudication in a Congregation**

†S17.11. When there is disagreement between or among factions within a congregation on a substantive issue which cannot be resolved by the parties, members of the congregation may petition the synod bishop for consultation after informing the president of the Congregation Council of their intent to do so. The synod bishop shall seek a timely resolution of the dispute. If the issue relates directly to the pastor, the bishop may begin the process in †S14.18.d. In all other matters, if the bishop's consultation fails to resolve the issue, the bishop shall refer the matter to the Consultation Committee of the synod, which shall undertake efforts to find an appropriate solution. If the Consultation Committee's efforts fail to resolve the dispute, the entire matter shall be referred to the Synod Council for adjudication by whatever process the council deems necessary. The Synod Council's decision shall be final.

Chapter 18.

AMENDMENTS, BYLAWS, AND CONTINUING RESOLUTIONS

†S18.10. **Amendments to Constitution**

†S18.11. Certain sections of this constitution incorporate and record therein required provisions of the constitution and bylaws of this church. If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the Evangelical Lutheran Church in America.

†S18.12. Whenever the secretary of Evangelical Lutheran Church in America officially informs this synod that the Churchwide Assembly has amended the *Constitution for Synods*, this constitution may be amended to reflect any such amendment by a majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the *Constitution for Synods* shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt

notification of its adoption.

†S18.13. Other amendments to this constitution may be adopted by this synod through either of the following procedures:

- a. Introduced with the support of at least 20 voting members and having been approved by a two-thirds vote of the voting members present and voting at a regular meeting of the Synod Assembly, an amendment may be adopted unchanged by a two-thirds vote at the next regular meeting of the Synod Assembly.
- b. The Synod Council may propose an amendment, with the notice to be sent to the congregations of this synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council.

†S18.20. Amendments to Bylaws

†S18.21. This synod may adopt bylaws not in conflict with this constitution or with the constitution and bylaws of the churchwide organization. This synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting. Newly adopted bylaws and amendments to existing bylaws shall be reported to the secretary of this church.

†S18.30. Amendments to Continuing Resolutions

†S18.31. This synod may adopt continuing resolutions not in conflict with this constitution or its bylaws or the constitution, bylaws, and continuing resolutions of the churchwide organization. Such continuing resolutions may be adopted or amended by a majority vote of the Synod Assembly or by a two-thirds vote of the Synod Council. Newly adopted continuing resolutions and amendments to existing continuing resolutions shall be reported to the secretary of this church.
